#### Role Purpose

SPEDP under the Consortium of Save The Children International (SCI) has been awarded to implement a 3 year Phase II of Education Can Not Wait (ECW) Project in Magwi County, Eastern Equatoria State. The organization is therefore looking to recruit a qualified South Sudanese for the post of Project Manager to lead and manage the implementation of this project in the said location. The incumbent will be based in SPEDP Field Office in Magwi Town with frequent field visits to all operational areas within the County. The post holder is expected to have strong Education, child protection, GBV, and MHPSS programming including delivery

of multi sectorial project programming. He/she must have be experienced in roll out of education, CP/GBV interagency quality tools, packages and guidelines, experience in conducting capacity assessme

- Support in orientation and ongoing trainings, capacity building and coaching of CP, GBV & MHPSS staffs and volunteers on child protection, gender base violence, case management, girl friendly space, supervision/coaching tools, and improve referral system.
- Work closely with monitoring and Evaluation team to ensure that monitoring and evaluation and indicator tracking plans for the project in all target location are in place and, developing additional monitoring and evaluation tools as necessary to monitor project progress and ensure timely and successful achievement of project milestones.
- Develop and ensure protection and education messages are appropriate (GBV, CP and MHPSS awareness raising) for the communities are reviewed before dissemination.
- Responsible for the management of project resources including human and financial resources, and ensure sound financial and people management practices aligned to the SPEDP and donor policies and procedures and adopted throughout the project period. He or she ensures that documentations as required by the finance's regulations through the guidance of the finance manual are prepared and submitted in time.
- With support of the MEAL Officer, ensure regular monitoring and evaluation of the project are carried out as per SPEDP and donor requirements and phases/quarters to improve implementation and impacts of the project according to the project design and future programming.
- Participate in coordination meetings and initiatives of the clusters and government related institutions, local leaders and other relevant stakeholder to improve SPEDP visibility, partnership and networking with all relevant duty bearers to ensure diversity and teamwork, coach/mentor project teams for future program management, cooperation and coordination.
- Prepare monthly activity report by describing clear project activities implemented during the month, key achievements, challenges and recommendations while providing supporting documents like pictures, personal testimonies, case stories, beneficiaries' feedback, monitoring forms etc.

#### **Safeguarding commitment**

- Be aware of and adhere to the provisions of the safeguarding policies (child safe guarding policy, PSEA policy and Code of Conduct) of SPEDP.
- Never participate in or support child marriages;
- Commit and contribute to an environment where children and adult program participants feel respected, supported, safe and protected.
- Never act or behave in a manner that result in violence including sexual harassment, exploitation and abuse against a child or adult or places them at risk of such violence;
- Report and respond to safeguarding concerns and breaches in line with the applicable procedures of SPEDP;
- Maintain confidentiality of safeguarding concerns reported;

#### **Required experience and competencies**

- Degree, in Education, Social work/Admin, Psychology, human rights or related field

- Minimum 3 years' progressive experience managing integrated projects within NNGO/INGO
- Strong practical understanding of the general education system, issues and approaches in South Sudan. This includes understanding of the humanitarian contexts, including the constraints, sensitivities and risks associated with such work in South Sudan.
- Strong practical understanding of Alternative Education Systems (AES) in South Sudan including Accelerated Secondary Education Program (ASEP), Accelerated Learning Program (ALP).
